The Times Star, Cincinnati, thinks John Sherman can beat Cleveland. We go the Times-Store one better We know it.

The new George party doesn't seem to be composed of coherent particles. That is to eav-its adherents are not coherents.

It has been recently demonstrated that the heathen Chinee cashier can clean out the ranche and hop for Canada, all the

It is said of General Sherman that he "a good sailor and can spin varns equal to the oldest salt " And they have to be taken with more than a grain of sait.

The Ohio memorials on the battle-field of Getrysburg will be declicated on the 14th of September. All Objo men who fought in the Gettysburg battles should be present.

The president leaves Washington for the west on Friday, September 30th. This does not mean bad luck to the president but it does mean a heavy infliction on the west.

The New York Sun vehemently denies that its office cat killed the White House monkey. Does the Sun mean the man who has been monkeying with civil service reform? If so the denial is unnecessary, for the monkey still lives.

who edits, the bank director who directs, the railroad or other superintendent who superintends are all good and useful eitzens. But the persons of this class who do not attend to their own business, closely and honestly, are poor citizens.

Along the shore of Lake Erie, in Chautauqua county. New York, a locality ous for fine apples, the trees in the great orchards are absolutely loaded with freit. Many good apples have fallen on the ground for the sole reason that they were crowded off of the trees. Our dealers who want good apples chould take a trip

Dr. Behrends, of the Central Congregational church of Brooklyn, repeats his invitation to the Third Unitarian Sunday school to participate in the anniversary day cele bration with his own school. The Doctor. who has a brother (a printer) in this city, feels quite sure, we presume, that what he he shall say in the anniversary exercises will do no harm to the Unitarian children.

America is noted for its famous families. Among them are the Beechers, the Fields and the Washburnes, nearly all the representatives being men of ability and note. The Field family-with David Dudley, the lawyer: Henry M., the journalist, editor of the New York Evangelist: Stephen, ir., the supreme judge, and Cyrus W., the owner of the New York Mail and Express and the father of Atlantic cables - is probably the most noted family in the country,

We observe with pleasure that Mr. C. F. lican, has been placed on the republican This bonor lican paper. Where other men would have selves, Mr. Baldwin has set up

interest. - Columbus Sunday News, sentiments. Mr. Baldwin is, in all respects, administration's brain around under his a hustler. His paper, the Republican, is hat-goes to New York every few days to one of the best and brightest public journals see his family. It has transpired that "his in Ohio. We may as well add that we have family" is the democratic party of New firmer, by causing the blood to circulate now the best republican executive committee we have ever had in Ohio.

Hon, Jacob R. Dodge, who has been his official duties. A r yet Mr. Col man, the commissioner of the agricultural department, and a democrat, speaks of him (as stated by a reporter of the Washington Evening Star) as follows:

Mr. Colman paid a high tribute to Mr. Dodge's ability and integrity. He said that soon after he (Colman) took charge of the burean he considered the propriety of re-moving Mr. Dedge. He consulted with was known as such not only in this country but abroad. The salary, said the Commissioner, is only \$2,500, and when he looked round for a man be found be could not get one possessing the qualifications for less than \$10,000 a year. Mr. Dodge had been in the position about twenty years, and this was the second time his estimates had been questioned. Once before his cot ton figures were attacked, but when the erop was in it was shown his figures were correct. For a time Mr. Dodge was out doing work in the census, and his successor had a wretched experience. His reports

were derided all over the country, and he was glad to resign. Mr. Dodge was induced to return, though he did so unwillingly. He did not want the place again. This is especially interesting to Springfield people, as Mr. Dodge formerly resided here for several years, editing and publish-SEC'T AND TREAS ing the American Ruralist, and for a time the Pailty Telegram, which was ultimately absorbed by the Intilu News, afterward the REPUBLIC.

It is the duty of somebody to investigate how ex-Mayor Charles W. Constantine, of Springfield, can be practicing law with ex-Governor Hoadly in New York and be swamp-land commissioner of Ohio,—Ohio

morals, literature and art, representing an depravity. undenominational and practical Christianty. And we are also glad to know that the old editor, Rev. A. O. Kengsbury. (formerly of Bellefontaine, Ohio.) is to

In addition to the 45,373 republican postas ters removed by President Cleveland and superceded by democrats, he has civi'service reformed other republicans out of office, as follows:

Governors of territories all were changed tore January 1 and democrats appointed Secretaries of territories - the same. Pension agents seventeen out of the ighteen have been changed. Surveyors - general - all have been

changed Registers of land offices ninety-seven out of 104 have been changed. In ian agents-fifty-two out of the sixtyour have been changed. In short, out of the 377 officials 338 have

een changed, or ninety per cent. The mugwump Times, of New York, says that it is impossible for civil service reformers to look upon such cases as that of the Philadelphia postoffice, where in two cears Postmaster Harrity has found places or 192 democrats in a total force of 194 employes, as anything else than a conemptuous violation of the spirit of the ivil service law. Exactly. And General Harrity has done Cleveland has done, in all

as appointments.

Extensive preparations are being made at pleasant for the large number of veterans who will attend the Grand Army encampment to be held in that city in September. The streets leading to Fountain Park where the encampment exercises are to be held. are to be sprinkled at the expense of the city, and illuminated with Edison incantest, and illum also to be provided for the protection of any rate wash your face and arms and the veterans from molestation by pickpock- chest in cool water. But I must leave the ets and rowdies. All this is to be done by the city council.

Grand Master Workman Powderly say has no sympathy with a distinctive American party. A party built upon the broad principles of the declaration of Amer-ican independence is good enough for him. Mr Powderly would make a splendid reonblican - Ohio State Journal.

Powderly is a pretty good republican-Fowderly is a pretty good republican— only he doesn't know it. He is for the pro-foot with water. You must cleanse every tection of American industry, and he stands up for the rights of black laborers as well am no advocate of discomfort in bathing as with men. The machine can be had as workingmen who are white. Powderly's principles will carry him into the republican party yet.

David Tatum, the Quaker evangelist, of Cleveland, Ohio, who is making prohibition that the really important part of the bath all cases where the baggage is an object, begins. Dry yourself thoroughly with the smaller the plate the better, and the own behalf, when he can get anybody to two towels; then take a stiff flesh brush take a collection from, dislikes Blaine, very much, and says he would rather see Jeff Davis in the white house than Mr. Blaine es from making a bright, red-hot repub- Tatum once made what he fondly supposed was a Christian temperance speech in this Keep up this friction for at least ten min-

apply the cold without stint.

FRESH OUT DOOR AIR. As regards the lungs, the more fresh veck if might we'l say, a day; passes in happier and more comfortable you will be. But it is not enough to go out in the open per annum do they drench themselves year go by without once drawing a full with? As to mustication, regularity of breath. A quantity of impure air always meals, respect for the digestive processes, remains at the bottom of their lungs, like and so forth, I say nothing. After we bilge water in a ship; and it contaminates have ceased to stuff ourselves with trash the whole system. If you will breathe that has no more nourisament in it than properly, you may get more benefit from sawdust, and is actively injurious into the half an hour in your back yard than bargain, we may begin to consider these another person will from a twelve hours' more elevated subjects. We hear of cru-sades against alcohol; but I have no symple matter; breathe slowly, and breathe pathy with a pie and canaly eating and tea in as much air as you can possibly get and coffee drinking man or woman, who into your lungs. When they will hold no preaches temperance or abstinence; let more, then emit your breath as deliberthem first take the beam out of their own ately as you took it in. Suppose you are A small quantity of alcohol admin- walking at your usual pace along the istered at the right time, may do good; pie street; draw in your breath while you are and candy and green tea never can. Abtard, in moderation, eat butter sparingly, and cheese not at all; for breakfast and supper have bread and milk, oatmeal and or ten steps; and later on, even more.

THE DELICIOUS EFFECTS. After walking for quarter of an hour, As to drink, if you are thirsty, you can will find yourself warm enough to do drink water; if the water is bad, take without an overcoat. In half an hour mineral water, with an occasional glass of you will be in a glow down to the tips of pure ale or claret. Every five or ten min-nates stop and ask yourself whether you if your whole body had been vigorously the decoupled of the local place "tempt" your appetite: on the contrary, ask yourself whether you could, if necessary, make your meal on pure bread and water; and if the answer is in the negative series of such practice and you will have muscles firmer—because you will have tive, omit that meal and see how you feel thoroughly aerated and oxygenized your Piqua to make things comfortable and at the next—but never cat between meals, blood. And you will have acquired the pleasant for the large number of veterans of you are only wholesome things, you could live and thrive on half the present deeply while you are out walking or exer-bulk of your food. Starvation is the best cising, but of breathing in that manner cure for dyspepsia; pick me ups only keep it alive. After you have lived on reasonable food for a month or two, you will no suddenly to escape over a plowed field from a mad bull you will find yourself scarcely say that all the breathing must be done through the nose, with the mouth shut. That comes hard at first, but it is stomach here, with a hundred things still | worth while taking a great deal of pains

Observe these rules for a year and you will be twice the man or woman that you are now; and then you may begin to think about gymnastics. - Julian Hawthorne in Home Knowledge.

The Latest in Cameras

It is the latest form of the detective camera—that which counterfeits a neat little hand sachel in appearance—that is -cold water in a cold room, and all such scarcely larger than the usual handkernonsense. Have the room warm and the water only a few degrees cooler. Stay in carries being much less of an object than either under water or pouring wet all the time. But it is after you leave the tub nent bromide prints. For tourists, and in best pictures can afterward be enlarged at and try with all your might to rub your home. The detective is focused and sprung skin off. A cocoanut fiber brush is the on the instant and is so quick in its action. on the instant, and is so quick in its action best; and to get at your back, it is a good that I have seen a clear picture of the bed plan to have a cocoanut fiber mat hung of a mountain brook—a much more difficult feat than photographing an object which is itself moving-caught from the window of a train at full speed.-Eliza There is Putnam Heaton in N.
